

*Dinner With
The Wife*

Mid-life Marriage
Conversation
Starters

If we had a second wedding,
what would we do differently
or the same?

What's something we haven't
done in years that you
secretly miss?

When do or have you felt
closest to me lately, and
when do you feel far?

Is there a way I've
unintentionally made you feel
small, hurt, or unseen?

What does 'fun' look like to
you in this season of life?

What's something I used to do when we were dating that you wish I still did?

How do you feel about our physical intimacy, and what would you change?

What do you think we've
done right in our relationship
so far?

If we had one free weekend
with no responsibilities, how
would you want to spend it?

Is there a dream or goal
we've put on hold that still
matters to you?
